Subject: Bill Draft - Stopping roundabouts in Kiel

Attachments: Kiel roundabouts

As discussed, Sen. Leibham would like to get legislation drafted that would stop the roundabouts in the City of Kiel at the intersections of STH 67 & A and STH 57 & 67.

Attached is an email from the NE director of DOT that outlines the projects. We wouldn't be looking to stop the entire project, just the roundabout portion of it.

Kiel roundabouts

If you need any more info please just let me know.

Hi Cullen,

The Kiel roundabouts are scheduled for contract letting in May of 2009. The project estimate for construction is estimated at \$2.4 to \$2.5 million dollars. The estimate is for the entire project including the roadway between the two intersections.

Hope this helps.
